

**Organisation of the Joint Secretariat of
the IPA-Adrion Programme 2021-2027
IPA-Adrion 2021-2027 Monitoring
Committee 25/05/2023 Sarajevo**

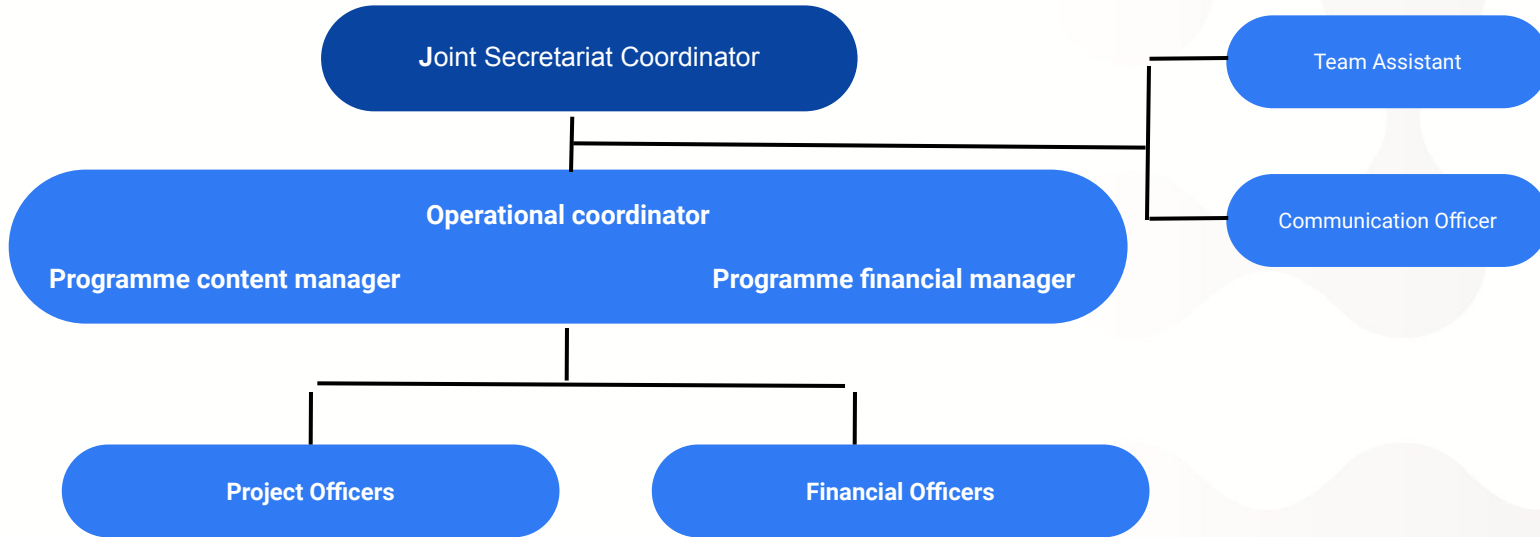

INNOVAZIONE E ATTRATTIVITÀ IN EMILIA-ROMAGNA

Introduction

The organisation model:

- arises from the need to adapt the Joint Secretariat to a more complex and larger-scale programme and to face the new challenges related to the programme performances
 - starts from the current organisation of the Joint Secretariat and evolves it with reference to the new programming period
 - enhances the skills of the current team
 - has been conceived jointly by Art-er and the Managing Authority
-

JS Organisation IPA -ADRION 2021 2027

Key purposes

- Strengthen the strategic role of the JS coordinator
 - Strengthen the coordination of JS internal processes
 - Strengthen the programme and projects monitoring
 - Provide more agility and flexibility to JS action
 - Increase the JS staff in view of a higher workload
-
