CRESCENTO

Project main achievements

**10th IPA ADRION MONITORING COMMITTEE MEETING
13th May 2024, Sibenik**

Partnership overview

- ***Partners' countries:***
 - *Italy, Croatia, Greece, Slovenia, Albania, Bosnia and Herzegovina, Montenegro, Serbia*
- ***Partners' expertise:***
 - *Mechanical, Chemical, Environment, Management, Automation, ICT, industrial research*

- ***Budget***
 - *Allocated project budget : 1.116.451,40 €*
 - *Spent budget: 982.838,55 €*
 - *Main difference due to 1 partner (staff change)*

*Achieved **targets***

- *ADRION Transnational Cooperation Network on Circular Economy*
 - *academia / research, businesses, public sector (300 persons / 60 stakeholders)*

- *8 **Summer Schools** in the Adrion region*
 - *Physical and remote lessons, workshops, projects, pitching*
 - *300+ attendees in total (HE/Research/Companies/City admin/Publ admin)*

- *The proposal of a joint **Master of Science** on Circular Economy*
 - *2 years, 120 ECTS*
 - *First year: Entry University, min. 60 ECTS*
 - *Second year: Exit University, 30 ECTS, with internship and thesis (30 ECTS)*

Main possibilities to implement a Master for CRESCENTO

- **1 year post-graduate specialization master**
 - Professional improvement
 - Not awarding degrees
 - Implemented at local university level
- **Double degree Master of Science**
 - Accredited national academic degrees
 - Awarded degrees in different, affine disciplines
- **A Joint Master of Science degree**
 - 2 years Master of Science dedicated to Circular Economy
 - Awarded degree in Circular Economy
 - Degree jointly signed by two Universities
 - Other Universities proving teaching resources

From MA on 31 July 2023:

- *Accreditation should be related to the highest ambitious master design*
- *Master under an already pre-defined framework risks of reducing the relevance and may raise concerns related to potential double funding*

CRESCENTO choice

Content of the future Master's degree:

Joint Master of Science (MoS) in Circular Economy

- *Structure (60+30+30 ECTS), entry / exit university*
- *First year: Entry University (UAegean), min. 60 ECTS*
