

SIXTH IPA ADRION MONITORING COMMITTEE MEETING SUMMARY

The sixth IPA ADRION Monitoring Committee meeting took place in Belgrade (Serbia) and online on 25-26 July 2023. The Monitoring Committee went on with the discussion on the definition of the three strategic projects aimed at supporting the macro-regional strategies EUSAIR and finalized the overall budget to be allocated, partnerships and duration.

The Monitoring Committee also approved the activities to be implemented through the Technical Assistance and its necessary budget. Part of the Technical Assistance budget shall be devoted to support the National Contact Points hosted in each participating country mainly in charge of: providing firsthand information to potential and granted beneficiaries, supporting the Managing Authority and Joint Secretariat in the assessment of the project proposals; promoting the programme and spreading IPA ADRION projects achievements at national level.
