

## **FOURTEENTH IPA ADRION MONITORING COMMITTEE MEETING SUMMARY**

The fourteenth IPA ADRION Monitoring Committee meeting took place on 25–26 November 2025 in Tirana (Albania).

The Monitoring Committee was informed about the state of play of programme implementation. It discussed the progress of the assessment of proposals submitted under the second call for proposals and agreed to hold an informal meeting on 5 December 2025 to preliminarily review the outcomes of the admissibility and eligibility checks.

The Monitoring Committee approved, under conditions, the strategic project TESI under Specific Objective 1.2.

It also agreed to continue the discussion on the programme independent evaluation at an online meeting scheduled for 26 January 2026.

Furthermore, the Monitoring Committee approved the programme capitalization strategy and workplan, as well as the full participation of the programme in the Multi-programme Mechanism involving several Interreg programmes operating in the Mediterranean area.

Finally, the Monitoring Committee decided to launch the post-2027 programming exercise in early 2026 through the establishment of an ad hoc Task Force and was informed about recent decisions of the EUSAIR Governing Board.
