## Item 7

# Revision of the IPA ADRION MC Chairpersonship

*15 MC meeting  
8-9 April 2026, Skopje*

*IPA ADRION Joint Secretariat*

## Why a revision of Article 4 of the MC RoP is proposed

- Article 4 of the MC Rules of Procedure includes the table on MC Chairpersonship
- In practice, the MC Chairpersonship has traditionally followed the EUSAIR Governing Board Chairpersonship
- The table in Article 4 no longer fully reflect the current state of play
- Recent developments within the EUSAIR Governing Board make it appropriate to update the MC RoP accordingly
- The proposed revision is therefore intended to formalise the updated sequence
